May Outreach!

For our last Outreach Project of the school year, we're focusing on Caring for the Elderly. One way to show the elderly of our community we care is to share quality time with them.

We've partnered with The Watermark San Ramon to offer SA students a chance to do just that with an optional field trip to visit the assisted living facility on Wednesday, May 22.

A Brightwheel message with more details and permission slip will be coming out soon. If you have any questions, please let us know!
